

Rolling Silverware

Task analysis: square cloth napkin, knife, fork, and spoon

1 Step 1

Spread the napkin flat on the table.

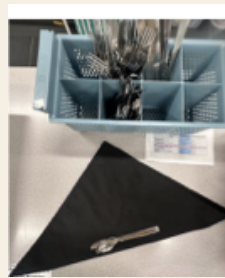

2 Step 2

Turn the napkin so the seam is facing up.

3 Step 3

Fold the napkin diagonally to make a triangle.

4 Step 4

Put down the knife first, then the fork, then the spoon. Keep them somewhat stacked.

5 Step 5

Fold one side of the napkin over the silverware.

6 Step 6

Fold the other side over the silverware. Keep the seam facing up.

7 Step 7

Roll from the bottom until the napkin is tight.

8 Step 8

Check that the finished roll is closed and neat.
